Hi Sara,

Eligio Lara is our community services supervisor and would be the person to contact. He and his team have already been speaking with various businesses in the community about the benefits of Flock Cameras. I have CC'd him on this email and he has your phone number. Please do not hesitate to reach out to me if you have any questions. My phone number is 805-310-3227 or my desk number is 805-928-3781 Ext 1209

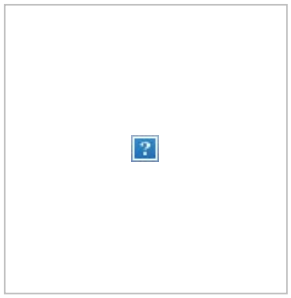
Hi Officer Armstrong & Lt Flaa,

It's great to meet you! My job is to get more private cameras in the ground for the PD to utilize. If you know of any communities/businesses with interest, feel free to send them my way. I'll be sure to do the heavy lifting and will make sure they get the information they need.

Let me know when would be a good time to hop on a 5-minute call just to touch base. I'd love to hear what's been going on in the area. My number is 415-968-1294. Feel free to call or text anytime!

Thanks!

Best, Sara



Sara Stanzler

> It was great catching up today. I look forward to meeting the rest of your team the week after next. A couple of follow up points:
>
> 1) I asked the Flock Field Ops team to look at the quality of images coming from camera #9 and as far as they could tell the images being captured were up to standard. If you see anything amiss please feel free to contact support@flocksafety.com
> 2) I have copied Sara Stanzler from our community team to make sure to re-introduce her as discussed. She may have some updates regarding discussions with HOAs and businesses she is having in your area.
> 3) As requested I have copied Holly Stanzler who leads our Communications team. Holly, can you please reach out to Lt. Flaa also copied here to work on getting the word out on the value of ALPR prior to the rest of the Santa Maria PD being onboarded? They may be interested in also rolling out the transparency portal in conjunction with this.
